**Dear Partners,**

On behalf of the Ministry of Digital Technologies of the Republic of Uzbekistan, we are honored to inform you about an upcoming event that the Ministry of Digital Technologies of Uzbekistan is proudly supporting – the International Game and Animation Fest, organized by IT Investments Center in collaboration with ProArt. The event will take place on June 3rd and 4th, 2024, in Tashkent, Uzbekistan.

The International Game and Animation Fest promises to be an immersive and dynamic gathering celebrating the world of gaming and animation. It will feature various activities and events aimed at engaging enthusiasts and professionals alike.

The festival will consist of the following key events:

- **The Game and Animation Expo:** A platform for industry leaders worldwide to showcase new creations in gaming, animation, and esports.
- **The Game Forum:** A gathering of industry leaders, public institutions, international organizations, enthusiasts, and aspiring creators for insightful discussions and networking.
- **The Music Festival:** A vibrant mix of music and culture featuring electrifying DJs and unforgettable experiences.
- **The Animation Forum:** Workshops, lectures, and a diverse program to immerse participants in the world of animation.
- **The E-sports Tournament:** Thrilling competitions allowing participants to showcase their gaming skills, along with a vibrant cosplay environment.

We invite you and your esteemed team to at this event. Your involvement will contribute to the success of the International Game and Animation Fest, and we believe it presents an excellent opportunity for your organization to engage with industry leaders and enthusiasts in the field.
